

Title of Summary

Authors (separated by semicolons)

30 April 2015

Overview

Shortly explaining what this lecture was about. The minimum should be one paragraph about the basic concepts, and another one about more difficult ones.

Important Slides

A list of the important slides, and an explanation of why they are important. (At least one slide per concept explained, easy or difficult)

Slide n°0: Here's why Slide 0 is important.

Slide n°100: And here's the explanation for slide n°100.

Exam Questions

A list of questions that will probably appear in the final exam.

- Here is a first question ?
- And here is another one ?
